

EVIDAS 2019

European Vitamin D Association

4th International Conference Vitamin D – Minimum, Maximum, Optimum

October 11–12, Warsaw, Poland

<http://witaminad.waw.pl>

Venue:

Central Clinical Hospital of the MSWiA in Warsaw

Conference Center

ul. Wotoska 137

02-507 Warsaw

GPS: 52.199125 20.997809

PROGRAM

Friday, 11nd October 2019

08:45-09:00	Welcome address, opening remarks and organizational issues <i>Dr. Marek Migdał (Director of The Children's Memorial Health Institute, Warsaw)</i> <i>Assoc. prof. Paweł Płudowski (Chairman of the Organizing and Scientific Committees)</i>
09:00-11:00	SESSION I Vitamin D and Cancer <i>Chairs: Dr. William B. Grant, Prof. Michał Żmijewski</i>
09:00-09:15	Vitamin D and cancer: Is it worth to consider? <i>Prof. Michał Żmijewski (Gdansk)</i>
09:15-09:30	Vitamin D endocrine system – the role in pathogenesis and progression of melanoma <i>Assoc. prof. Anna Brożyna (Torun)</i>
09:30-09:45	Vitamin D analogs interfere with the regrowth of cancer cells refractory to cytotoxic drug <i>Assoc. prof. Sergiusz Markowicz (Warsaw)</i>
09:45-10:00	The role of fibroblast growth factor receptors in cell's response to 1,25-dihydroxyvitamin D <i>Prof. Ewa Marcinkowska (Wroclaw)</i>
10:00-10:15	The influence of vitamin D on mouse mammary gland cancer metastasis <i>Dr. Artur Anisiewicz (Wroclaw)</i>
10:15-10:30	Vitamin D in melanoma, coincidence? <i>Dr. Anna Piotrowska (Gdansk)</i>
10:30-10:50	Vitamin D reduces cancer risk – why do scientists accept it but physicians do not <i>Dr. William B. Grant (San Francisco, USA)</i>
10:50-11:00	Discussion
11:00-11:20	Coffee break
11:20-12:00	Special lecture - Epigenomics of Vitamin D: from in vitro to in vivo <i>Prof. Carsten Carlberg (Kuopio, Finland)</i> <i>Chair: Prof. Jacek Łukaszewicz (Warsaw)</i>
12:00-13:30	Lunch (poster session, promotional speeches of companies)

EVIDAS 2019

European Vitamin D Association

4th International Conference Vitamin D – Minimum, Maximum, Optimum

October 11–12, Warsaw, Poland

13:30-15:10	SESSION II Therapy of Vitamin D deficiency <i>Chair: Assoc. prof. Paweł Płudowski</i>
13:30-14:00	Vitamin D in high doses – a review of recent studies <i>Assoc. prof. Paweł Płudowski (Warsaw)</i>
14:00-14:30	Vitamin D deficiency – the treatment guidelines <i>Prof. Ewa Marcinowska-Suchowierska (Warsaw)</i>
14:30-15:00	Safety of the therapies using high vitamin D doses <i>Dr. Waldemar Misiorowski (Warsaw)</i>
15:00-15:10	Discussion
15:10-15:30	Coffee break
15:30-18:00	SESSION III Vitamin D and its pleiotropic actions – part 1 <i>Chairs: prof. Ewa Marcinowska-Suchowierska, prof. Michael F. Holick</i>
15:30-15:50	Vitamin D in kidney diseases – an update and research advances <i>Prof. Jolanta Małyszko (Warsaw)</i>
15:55-16:15	Associations between Vitamin D and liver diseases <i>Prof. Piotr Socha (Warszawa)</i>
16:20-16:40	From randomized studies to daily clinical practice: lessons from recent vitamin D mega-trials <i>Dr. Spyridon Karras (Thessaloniki, Greece)</i>
16:45-17:05	Vitamin D in rheumatologic diseases: the role in prevention and treatment <i>Prof. Piotr Głuszko (Warsaw)</i>
17:10-17:30	Vitamin D and cardiovascular diseases <i>Prof. Piotr Rozentryt (Zabrze)</i>
17:35-17:55	Diabetes Mellitus and calciotropic hormones: an intriguing association <i>Prof. Kaliopi Kotsa (Thessaloniki, Greece)</i>
17:55-18:05	Discussion
18:05	The end of the first day of the conference

Saturday, 12nd October 2019

08:30-11:00	SESSION IV Pleiotropic Action of vitamin D – PART 2 <i>Chairs: Prof. Jerzy Przedlacki, Assoc. prof. Jerzy Konstantynowicz</i>
08:30-08:50	Vitamin D in pregnancy TBA <i>Assoc. prof. Justyna Czech-Kowalska (Warsaw)</i>
08:55-09:15	Latent Vitamin D insufficiency in puberty and adolescence: the gaps and needs <i>Assoc. prof. Jerzy Konstantynowicz (Białystok)</i>
09:20-09:40	Vitamin D in geriatric population <i>Prof. Ewa Marcinowska-Suchowierska (Warsaw)</i>
09:45-10:05	Vitamin D in endocrine disorders

EVIDAS 2019

European Vitamin D Association

4th International Conference Vitamin D – Minimum, Maximum, Optimum

October 11–12, Warsaw, Poland

	<i>Dr. Waldemar Misiorowski (Warsaw)</i>
10:10-10:30	Vitamin D - fractures and falls <i>Prof. Jerzy Przedlacki (Warsaw)</i>
10:35-10:55	Vitamin D: asthma, COPD, respiratory tract infections <i>Prof. Marcin Moniuszko (Białystok)</i>
11:00-11:20	Coffee break
11:20-12:20	Special lecture - Vitamin D deficiency: Is it time to consider the use of calcifediol? <i>Prof. Michael F. Holick (Boston, USA)</i> <i>Chair: Prof. Roman S. Lorenc (Warszawa)</i>
12:20-13:30	Lunch (poster session)
13:30-15:10	SESSION V Diagnostics - Perspectives and Controversies <i>Chairs: prof. Glenville Jones, dr Etienne Cavalier</i>
13:30-13:50	Current Controversies in the Assay Procedures of Vitamin D metabolites <i>Prof. Glenville Jones (Kingston, Canada)</i>
13:55-14:15	Clinical utility of FGF-23 measurements <i>Prof. Jean-Claude Souberbielle (Paris, France)</i>
14:20-14:40	Vitamin D determination: Perspectives from the IFCC Committee on Bone Metabolism <i>Dr. Etienne Cavalier (Liege, Belgium)</i>
14:45-15:00	Novel approach to LC/MS analysis of Vitamin D metabolites <i>Dr. Konrad Kowalski (Warsaw)</i>
15:00-15:10	Discussion
15:10-15:25	Coffee break
15:25-17:25	SESSION VI Pleiotropic Action of vitamin D – PART 3 <i>Chairs: Prof. Michał Żmijewski (Gdańsk), Dr. Jean-Claude Souberbielle (Paris)</i>
15:25-15:45	Lumisterol, forgotten relative of vitamin D <i>Dr. Robert C. Tuckey (Perth, Australia)</i>
15:45-16:00	Calcification of soft tissues <i>Prof. Jacek Łukaszkiwicz (Warsaw)</i>
16:00-16:15	Vitamin D deficiency and diabetic neuropathy <i>Prof. Tatiana Karonova (Saint Petersburg, Russia)</i>
16:15-16:30	Vitamin D in osteogenesis imperfecta <i>Dr. Paweł Abramowicz (Białystok)</i>
16:30-16:45	Vitamin D in therapy of psoriasis <i>Dr. Justyna Wierzbicka (Gdańsk)</i>
16:45-17:00	Vitamin D deficiency in surgical patients <i>Dr. Anna Grzegory (Lodz)</i>
17:00-17:15	Vitamin D deficiency and the role of mitochondria in skeletal muscles atrophy <i>Assoc. prof. Jacek Kaczor (Gdańsk)</i>
17:15-17:25	Discussion

EVIDAS 2019

European Vitamin D Association

4th International Conference Vitamin D – Minimum, Maximum, Optimum

October 11–12, Warsaw, Poland

17:25-17:35	Coffee break
17:35-19:35	SESSION VII EVIDAS Ukraine – scientific overview of studies done by EVIDAS – Division Ukraine <i>Chairs: Prof. Vladyslav Povoroznyuk, Assoc. prof. Paweł Płudowski</i>
17:35-18:05	Vitamin D deficiency and insufficiency in Ukraine. The Ukrainian EVIDAS Division activities <i>Prof. Vladyslav Povoroznyuk (Kyiv, Ukraine)</i>
18:05-18:15	Ameliorative effect of vitamin D3 on glucocorticoid-induced neurotoxicity in rats <i>Dr. Ihor Shymanskyi, Dr. Olha Lisakovska, Dr. Anna Mazanova, Prof. Mykola Veliky (Kyiv, Ukraine)</i>
18:15-18:25	Systemic effects of Vitamin D3 in health and diseases: literature and own studies data <i>Prof. Vitaliy Maidannyk, Dr. Eugenia Burlaka (Kyiv, Ukraine)</i>
18:25-18:35	Role and metabolism of vitamin D3 in patients with type 2 diabetes and non-alcoholic fatty liver disease (NAFLD) <i>Prof. Julia Komisarenko (Kyiv, Ukraine)</i>
18:35-18:45	Vitamin D deficiency through the prism of pregnancy – the verge of the problem <i>Prof. Vira Pyrogova (Kyiv, Ukraine)</i>
18:45-18:55	25-hydroxyvitamin D level and body mass index in postmenopausal women <i>Prof. Vladyslav Povoroznyuk, Dr. Anna Musiienko, Dr. Nataliia Dzerovych, Dr. Roksolana Povoroznyuk, Dr. Oksana Ivanyk (Kyiv, Ukraine)</i>
18:55-19:05	Prevalence of vitamin D deficiency and metabolic syndrome among postmenopausal women in Carpathian region <i>Prof. Volodymyr Pankiv, Dr. Ivan Pankiv (Kyiv, Ukraine)</i>
19:05-19:15	Studying the efficiency and safety of Olidetrim in the correction of vitamin D deficiency in postmenopausal women <i>Dr. Nataliia Dzerovych, Dr. Anna Musiienko, Dr. Tetiana Solonenko, Dr. Oksana Ivanyk, Dr. Halyna Dubetska, Prof. Vladyslav Povoroznyuk (Kyiv, Ukraine)</i>
19:15-19:25	The vitamin D deficiency and its receptors encoding genes polymorphism frequency in pregnant women with preeclampsia <i>Prof. Gulsym Manasova, Dr. Natalia Didenkul (Odessa, Ukraine)</i>
19:25-19:35	Vitamin D status and parathyroid hormone levels in children with juvenile arthritis <i>Natalia S. Shevchenko, Yuliia V. Khadzhyanova (Kharkiv, Ukraine)</i>
19:35	Wrap-up and conclusions
